Attention!

- ⚠ Ensure good wall flatness for optimal result. An uneven wall can lead to screen bowing and geometry distortions.
- ⚠ Follow all assembly instructions. Incorrect assembly can lead to screen damage and invalidate the dnp warranty.
- ⚠ Use suitable materials and methods for the wall in question. dnp denmark is not responsible for improper mounting.
- ⚠ Optional! The included rawplugs are for concrete- or brick wall installation only.
- ⚠ Be two persons to install screen.
- ⚠ Keep sharp objects away from the screen as they can scratch the surface and thereby damage the optical properties
- ⚠ Be careful of sharp corner edges when screen is installed. Keep away from children
